The screenshot shows the 'SETTLE UP' mobile application interface. At the top is a blue header with a hamburger menu icon on the left, a cartoon avocado character in the center, and a bell icon on the right. Below the header, the title 'SETTLE UP' is displayed in white. The main content area has a light gray background and features a vertical flow: a circular profile picture of a man with a beard, followed by a blue arrow pointing down to a white rounded rectangle containing the text 'How much?' and a currency selector 'PLN' with a dropdown arrow. Another blue arrow points down from this box to a second circular profile picture of a mountain landscape. Below this is a large green button with the text 'save'. At the bottom of the screen is a navigation bar with four icons: a document, a dollar sign, a shopping cart, and a group of people.
